Hi Na'il,

It turns out that Dept 40 is the wrong department for this motion. I've been instructed to refile in Dept 85. So I will resend the same documents with the only change being the department number.

So, please note that on Tuesday morning, February 20, 2024, at 8:30, I will be going into Department 85 of the LA Superior Court located at 111 N. Hill Street, LA, CA 90012, *ex parte*, and request a right to attach order and the issuance of a writ of attachment against Mark Sawyer for the money he owes Sonia Feldman on the past due promissory notes. Please let him know. We are not asking for one against the Whittemores at this time - just Mr. Sawyer.

In the alternative we will be asking for a temporary protective order preventing him from transferring his cars, property and other assets. The matter has become urgent as it has become increasingly clear that your client is insolvent and has engaged in a massive Ponzi scheme which he has attempted to brush over with ridiculous lies.

I will email you the application and supporting documents later today. Please let me know if you intend to appear and/or oppose the *ex parte* request. Thank you.

Best regards,

Michael Machat

Michael, I expect Mark will want to oppose this so that will be my plan unless instructed otherwise.
